

Highwood Outdoor Pool

Invites You to

Join us for our annual Doggy Swim

Monday September 4th 6:00 to 7:30PM

We recommend a minimum donation of \$2.50 per dog to support the Alberta Spay Neuter Task Force. We will also accept used bedding and towels for donation to support their important work.

As always, this event is weather permitting. (thunder or lightning may delay or cancel start)

This is an off leash event, so we ask that all owners have control of their animal and to please pick up after your pooch. **Participation in the event is at your own risk.**

Our large pool is 3' at shallow and 5' at deep end. Our wade pool is 6" at edges and 2' in centre.

We DO NOT RECOMMEND that humans swim in the water during this event as the circulation systems and chemicals are turned off for the benefit of the animals.

Washroom and change room facilities will not be available during the DoggySwim.

Entrance for event is through the west gate in the Colonel Irvine School parking lot.
